# myStrategic Compass Junior

Career planning for the road ahead

myStrategic Compass Junior is an online system of career development information, assessments, and activities that helps students identify:

**Who am I?**

**Where am I going?**

**How do I get there?**

myStrategic Compass Junior helps young students answer questions such as:

- What do I want to do?
- What skills and abilities will I need?
- How do I prepare?
- How much does it pay?
- What are the working conditions?

myStrategic Compass Junior information and activities:

- Designed for middle school students
- Written at an age-appropriate reading level
- Interviews and videos of real people at work
- Occupation descriptions
- Classroom activities and worksheets
- Interest, learning styles, and employability assessments

## Portfolio

In myStrategic Compass Junior, students create a personal online portfolio that transfers seamlessly to myStrategic Compass for high schools. The Portfolio can include their Course Planner, links to their favorites, a resume/job application worksheet, and record of their thoughts, notes and interactions.
